

MINDMATE – INTERACTIVE MBTI PERSONALITY TEST

MBTI DIMENSIONS – SIMPLE DEFINITIONS

E vs I → ENERGY STYLE

E (Extraversion)

You feel energized by people, activity, and external interaction.
You tend to think out loud, enjoy conversations, and gain energy from social environments.

I (Introversion)

You feel energized by solitude and internal thinking.
You prefer reflection, quiet environments, and need alone time to recharge.

S vs N → INFORMATION STYLE

S (Sensing)

You focus on real-world facts, details, and practical information.
You prefer what is concrete, observable, and proven.

N (Intuition)

You focus on patterns, possibilities, and abstract meaning.
You prefer ideas, future scenarios, and hidden connections over raw facts.

T vs F → DECISION STYLE

T (Thinking)

You make decisions using logic, analysis, and objective reasoning.
You prioritize fairness, consistency, and what makes sense over emotions.

F (Feeling)

You make decisions based on emotions, values, and impact on people.
You prioritize empathy, harmony, and how decisions affect others.

J vs P → LIFESTYLE STYLE

J (Judging)

You prefer structure, planning, and clear decisions.
You like closure, organization, and knowing what comes next.

P (Perceiving)

You prefer flexibility, spontaneity, and open options.
You like adapting as things happen rather than sticking to strict plans.

HOW THIS TEST WORKS

You will be asked questions in **batches of 10**.

After each batch:

- You will be asked:
☐ "Do you want to continue to the next set of questions?"

You can respond:

- YES → continue
- NO → get your personality result immediately

ANSWER SCALE

Reply with ONE of:

- Yes

- Sometimes
- No

QUESTION BATCH 1 (10 QUESTIONS)

ENERGY STYLE (E vs I)

1. I feel energized when I spend time with people.
2. I prefer talking things out rather than thinking alone.
3. I feel drained after long social interaction.
4. I enjoy being around active or crowded environments.
5. I prefer spending time alone to recharge.

INFORMATION STYLE (S vs N)

6. I focus more on facts than ideas.
7. I often think about possibilities beyond what is happening now.
8. I notice small practical details easily.

DECISION STYLE (T vs F)

9. I make decisions based on logic more than feelings.
10. I consider how others feel before making decisions.

☒ Do you want to continue to the next batch?
